### Young People with SEND Community Research Network Coordinator (Part-time)

Based in London Borough of Newham

The 5Es

Rix Inclusive Research, University of East London

- 14 hours per week

- 12-month contract

- £14,100

Are you passionate about community engagement, inclusion and research with young people with Special Educational Needs and Disabilities (SEND)?

We're looking for a **Young People with SEND NCRN Coordinator** to set up and lead an inspiring Community Research Network

This network will support young people to become **paid citizen social scientists**

These young people will shape research on the issues that matter to them

This will help make sure their voices are heard

In this job you will

- Build and run an inclusive research network
- Support young people with SEND to train as community researchers
- Support young people to take part and learn together in a creative way
- Work alongside partners including **UCL** for specialist training

This is a great opportunity to combine **youth work, inclusive research, and social impact**

This will help communities who are often left out influence change

This job is based at **The 5Es** and **The RIX Centre**  
(University of East London, E16 2RD)

Some evening and weekend work required
